

CYPRESS COLLEGE CURRICULUM COMMITTEE

Tuesday, September 15, 2026

Cypress College Complex (CCCPLX) 406

<https://cypresscollege-edu.zoom.us/j/89543342945?pwd=FyDs8p8dRwMjghG6nJfv1ZKZt1vEiI.1>

AGENDA

Your attendance is critical in helping to meet the curriculum needs of Cypress College. Remember, if you are unable to attend, please find an alternate representative.

Call to Order:

Joyce Peacock, Chair

1. Establish Quorum and Acknowledge Alternates
2. Adoption of the Agenda
3. Approval of September 1 *minutes*: (attached)
4. Public Commentary (3 minutes per speaker)
5. Curriculum Specialist Report: Mary Helen Albrecht (Filling in)
6. Articulation Officer Report: Jacky Rangel
7. Division Reports: All division reps
8. CPL Coordinator Report: Jolena Grande
9. Administration Report
10. Chair Report
11. Review and discuss the relationship between the Minimum Qualifications Handbook, discipline assignment requirements and their connection to minimum qualifications, the requirement to identify disciplines on the Course Outline of Record, the faculty equivalency process, and historical FSA practices.
12. Approval of Curriculum
13. Other-any additional concerns committee members might want to bring up items that do not require vote

Curriculum

NEW COURSES					
COURSE ID	ACTION TAKEN	CLASS SIZE	CLASS SIZE JUSTIFICATION	EFF DATE	JUSTIFICATION
EDU 101 C Introduction to Public Education Units: 3 Lecture: 3 Laboratory: 0	*New Course *FSA: A45 - Child Development/Early Childhood Education, A60 - Counseling, A61 - Counseling, DSPS, A62 - Counseling, EOPS, A71 - Special Education-DSPS Instruction, Adaptive PE, A72 - Special	35	Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	Fall 2027	Rejected at DCCC on May 14, 2026. This is the core course for the Certificate in Public Education Theory and Practice Program. In making a full certificate, consideration was given to the necessity to draw out from the active version of EDU 200 (Elementary Ed) introductory content on the front end to ensure that students going into one of the

	Education-DSPS Instruction, Specialized, A73 - Special Education DSPS Instruction, Speech/Language, A74 – Learning Disabilities Specialist, A85 - Education, A95 - English, B05 - ESL, B85 - Linguistics, C30 - Philosophy, C60 - Reading *Distance Education: Fully Online *UC/CSU Transfer				two other additional paths (Secondary Ed and Special Ed) can have an equal opportunity to explore the foundational concepts of the field. The special area courses will also thus benefit from a honing in on the specifics of each area.
EDU 201C Elementary Education Theory and Practice Units: 3 Lecture: 3 Laboratory: 0	*New Course *Advisory: COUN 110 C *FSA: A45 - Child Development/Early Childhood Education, A60 - Counseling, A61 - Counseling, DSPS, A62 - Counseling, EOPS, A71 - Special Education-DSPS Instruction, Adaptive PE, A72 - Special Education-DSPS Instruction, Specialized, A73 - Special Education DSPS Instruction, Speech/Language, A74 - Learning Disabilities Specialist, A85 - Education, A95 - English, B05 - ESL, B85 - Linguistics, C30 - Philosophy, C60 - Reading *Distance Education: Fully Online *UC/CSU Transfer	35	Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	Fall 2027	Rejected at DCCC on May 14, 2026. This is one of the three required pathway courses students must choose to specialize in for the Certificate in Public Education Theory and Practice Program. It shifts away from a condensed model of EDU 200 to add depth to the specialization by returning to a lecture only format. The fieldwork is independently carried out, but fieldwork reporting is integrated in the lecture-structured classroom.
EDU 202C Secondary	*New Course *Advisory: COUN	35	Most of the time the students are engaged in	Fall 2027	Rejected at DCCC on May 14, 2026.

Education Theory and Practice Units: 3 Lecture: 3 Laboratory: 0	110 C *FSA: A45 - Child Development/Early Childhood Education, A60 - Counseling, A61 - Counseling, DSPS, A62 - Counseling, EOPS, A71 - Special Education-DSPS Instruction, Adaptive PE, A72 - Special Education-DSPS Instruction, Specialized, A73 - Special Education DSPS Instruction, Speech/Language, A74 - Learning Disabilities Specialist, A85 - Education, A95 - English, B05 - ESL, B85 - Linguistics, C60 - Reading *Distance Education: Fully online *UC/CSU Transfer		practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.		This is one of the three required pathway courses students must choose to specialize in for the Certificate in Public Education Theory and Practice Program. It shifts away from a condensed model of EDU 225 to add depth to the specialization by returning to a lecture only format. The fieldwork is independently carried out, but fieldwork reporting is integrated in the lecture-structured classroom.
EDU 203 C Special Education Theory and Practice Units: 3 Lecture: 3 Laboratory: 0	*New Course *Advisory: COUN 110 C *FSA: A45 - Child Development/Early Childhood Education, A60 - Counseling, A61 - Counseling, DSPS, A62 - Counseling, EOPS, A71 - Special Education-DSPS Instruction, Adaptive PE, A72 - Special Education-DSPS Instruction, Specialized, A73 - Special Education DSPS Instruction, Speech/Language, A74 - Learning Disabilities	35	Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	Fall 2027	Rejected at DCCC on May 14, 2026. Biology 2.0 Associate in Science Degree for Transfer (AS-T)

Catalog Description:

Biology 2.0 Associate in Science Degree for Transfer (AS-T) provides lower division major and general education preparation for students interested in transferring to CSU campuses that offer a bachelor's degree in biology. Careers related to this field include biotechnology, medicine, pharmacy, dentistry, optometry, physician's assistant, biomedical engineering, agriculture, and forestry as well as many other related careers. While at least a baccalaureate degree is recommended preparation for those considering professional careers, completion of this curriculum will demonstrate commitment to the field and provide comprehensive preparation for further academic study through upper-division course work. Students should consult a counselor, the Transfer Center, and the catalog of the transfer college or university to plan a specific program of study to meet the college or university's requirements. Note: Courses that fulfill major requirements for an Associate Degree for Transfer at Cypress College might not be the same as those required for completing the major at all transfer institutions offering a Baccalaureate Degree. The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The AS-T is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. To earn the Biology AS-T students must complete: (1) a minimum of 24 semester units or 36 quarter units in the major, (2) earn a grade of C or better in all courses required for the major or area of emphasis, A P(Pass) grade is an acceptable grade for a course in the major only if the P is defined to be equivalent to a C or better (2) California General Education Transfer Curriculum (Cal-GETC); (3) elective courses to complete a minimum of 60 units of CSU transferable coursework; (4) have an overall GPA of 2.0. This degree requires a total of 24 units in the major in addition to other graduation requirements.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Understand current concepts in the life sciences at the level appropriate for transfer into upper division biology major programs at four-year universities
- B. Demonstrate critical thinking skills as they relate to the life sciences as well as apply concepts from allied fields to the life sciences.
- C. Apply the scientific method to answer basic research questions and understand the role of life sciences in modern society

Certificate in Public Education Theory and Practice

Catalog Description:

The Certificate in Public Education Program is designed to provide students with a foundational understanding of the education field while allowing them to explore specialized pathways such as elementary, secondary, or special education. The program integrates core concepts with pathway-focused learning, offering opportunities to examine both theoretical perspectives and current best practices in education. Students also engage in elective coursework to broaden their knowledge and tailor their experience to their interests. The program culminates in professionalization and service-learning experiences that deepen understanding of educational standards, practices, and legal frameworks. Through partnerships with schools and educators, students gain hands-on experience by observing, shadowing, and supporting teaching in real-world educational settings. This certificate is a total of 18 units.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Gain broad knowledge of key developments in the history and philosophy of education.
- B. Gain a general knowledge of the current American Public Education systems and structures.
- C. Gain a specific knowledge of the theories and practices of either primary education or secondary education or special education.
- D. Professionalize and practice their chosen pathway in partnership with institutions and teachers in the field.
- E. Prepare to transfer to a teacher credential program.

Certificate (GE not CTE)

Required Core Course:

	Units

	California General Education Transfer Curriculum (Cal-GETC) Certificate of Achievement		
Please see following pages for more information.			

PROGRAM OF STUDY

California General Education Transfer Curriculum (Cal-GETC) Certificate of Achievement

Catalog Description:

Completion of the California General Education Transfer Curriculum (Cal-GETC) will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) campus or program without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Completion of Cal-GETC will permit a student to transfer from a California Community College (CCC) to a University of California (UC) campus or program generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. For most students, it is strongly recommended that students complete Cal-GETC prior to transfer.

Advantages of completing Cal-GETC may include more flexibility in class selection at the university and timely progress to degree completion. All CSUs and most UC campuses and programs will accept certified Cal-GETC completion as satisfying lower-division general education requirements. Courses must be completed with grades of C or better. Courses must be at least 3 semester or 4 quarter units in order to meet Cal-GETC requirements. Courses must be on the college's approved Cal-GETC list at the time the course was completed. Students should confer with their counselor regarding these requirements. This certificate requires a total of 34 units.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Area 1: English Communication. Create written and spoken works that demonstrate effective communication and critical thinking skills. Area 2: Mathematical Concepts and Quantitative Reasoning. Analyze and solve theoretical and applied mathematical problems using the logic and symbol system of mathematics. Area 3: Arts and Humanities. Demonstrate a critical understanding, appreciation and expression of artistic, philosophical, and cultural sensibilities in historical and contemporary contexts. Area 4: Social and Behavioral Sciences. Identify, analyze, and communicate an understanding of self and society through systematic investigation of social behavior, institutions, and culture. Area 5: Physical and Biological Sciences. Examine and evaluate issues related to the physical and biological sciences from an evidence-based perspective and use in applied contexts. Area 6: Ethnic Studies. Acquire the knowledge and comprehend the diversity and social justice history of the United States

Certificate (GE not CTE)

Note: Some individual colleges or majors within a UC campus may not accept or recommend Cal-GETC to fulfill all of their general education requirements. A list of those UC colleges and majors is found on the UC Admissions web page (under "general education").

Note: Students transferring to a CSU who have Cal-GETC certified as complete will still need to complete 9 semester units of upper-division general education (GE) after transfer and may also be held to other campus specific graduation requirements outside of general education and major coursework.

Units

AREA 1 – ENGLISH COMMUNICATION

REQUIREMENT: 3 courses, one from each group below (9 semester or 12 quarter units);

GROUP 1A: English Composition, 1 course (3 semester units or 4 quarter units)

ENGL C1000	Academic Reading and Writing	4
ENGL C1000E	Academic Reading and Writing	5

PROGRAM OF STUDY

0

Liberal Arts Associate in Arts Degree with an Area of Emphasis in Arts and Humanities

Catalog Description:

This degree emphasizes the study of cultural, literary, humanistic activities and artistic expression of human beings. Students will evaluate and interpret the ways in which people through the ages in different cultures have responded to themselves and the world around them in artistic and cultural creation. Students will also learn to value aesthetic understanding and incorporate these concepts when constructing value judgments. . To earn this Associate Degree students must complete: 1) All major course requirements with a grade of C or better; 2) Cypress College Local General Education requirements or the California General Education Transfer Curriculum (Cal-GETC) requirements; ~~3) Fulfillment of local general education requirement of a minimum of one (1) unit of coursework approved for Physical Activity and Health;~~ 3) any elective courses to complete a minimum of 60 units; and, have a minimum GPA of 2.0. This degree requires a total of 18 units in the major in addition to other degree requirements.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Explain the values of a culture as expressed through its art or language. Demonstrate skills to pursue lifelong learning in the areas of arts and humanities. Make connections between the fine arts and humanities to demonstrate knowledge and an appreciation of factors that influence traditions.

A.A./A.S. Degree

Select 18 units from at least 2 discipline areas:

	Units
ANTH 105 C Introduction to Linguistic Anthropology	3
ANTH 107 C Magic, Witchcraft and Religion	3
ART 100 C Fundamentals of Art for Non-Art Majors	3
ART 110 C Introduction to Art	3
ARTH C1100 Survey of Art from Prehistory to the Medieval Era	3
ARTH C1200 Survey of Art from the Renaissance to Contemporary	3
or	
ARTH C1200H Survey of Art from the Renaissance to Contemporary - Honors	3
ART 114 C Modern Art History	3
ART 116 C Arts of Africa, Oceania, and Indigenous North America	3
ART 120 C Two-Dimensional Design	3
ART 123 C Color Theory	3
ART 150 C Ceramics Handbuilding	3
ART 151 C Ceramics Throwing	3
ART 182 C Beginning Drawing	3
ART 194 C Beginning Painting	3

Please see following pages for more information.			

PROGRAM OF STUDY

Liberal Arts Associate in Arts Degree with an Area of Emphasis in Human Communication

Catalog Description:

This degree emphasizes the content of communication as well as the form and should provide an understanding of the psychological basis and social significance of communication. Students will be able to assess communication as the process of human symbolic interaction. Students will also develop skills in the areas of reasoning and advocacy, organization, accuracy, reading and listening effectively. Students will be able to integrate important concepts of critical thinking as related to the development of analysis, critical evaluation, to reason inductively and deductively that will enable them to make important decisions regarding their own lives and society at large. To earn this Associate Degree students must complete: 1) All major course requirements with a grade of C or better; 2) Cypress College Local General Education requirements or the California General Education Transfer Curriculum (Cal-GETC) requirements; ~~3) Fulfillment of local general education requirement of a minimum of one (1) unit of coursework approved for Physical Activity and Health;~~ 3) any elective courses to complete a minimum of 60 units; and, have a minimum GPA of 2.0. This degree requires a total of 18 units in the major in addition to other degree requirements.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Students will demonstrate effective oral and written communication and critical thinking skills to articulate ideas to others, by incorporating knowledge of aesthetic worth to formulate value judgments. Students will develop knowledge, skills, and judgment around human communication that facilitate their ability to work collaboratively with others. Such skills could include communication competencies such as managing conflict, understanding small group processes, active listening, appropriate self-disclosure, etc. Students will be able to communicate effectively orally and in writing.

Liberal Arts Associate in Arts Degree with an Area of Emphasis in Math and Science

Catalog Description:

This degree emphasizes the natural sciences which examine the physical universe, its life forms, and its natural phenomena. Courses in Math emphasize the development of mathematical and quantitative reasoning skills beyond the level of intermediate algebra. Students will be able to demonstrate an understanding of the methodologies of science as investigative tools. Students will also examine the influence that the acquisition of scientific knowledge has on the development of the world's civilization.

Students will also examine the influence that the acquisition of scientific knowledge has on the developmental of the world's civilizations. . To earn this Associate Degree students must complete: 1) All major course requirements with a grade of C or better; 2) Cypress College Local General Education requirements or the California General Education Transfer Curriculum (Cal-GETC) requirements; ~~3) Fulfillment of local general education requirement of a minimum of one (1) unit of coursework approved for Physical Activity and Health;~~ 3) any elective courses to complete a minimum of 60 units; and, have a minimum GPA of 2.0. This degree requires a total of 18 units in the major in addition to other degree requirements.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Develop a reasoned solution to a problem. Demonstrate the ability to use the attained knowledge foundation to illustrate concepts and compare examples. Apply scientific method to solve practical problems in the sciences.

PROGRAM OF STUDY

Liberal Arts Associate in Arts Degree with an Area of Emphasis in Social and Behavioral Sciences

Catalog Description:

This degree emphasizes the perspective, concepts, theories and methodologies of the disciplines typically found in the vast variety of disciplines that comprise study in the Social and Behavioral Sciences. Students will study about themselves and others as members of a larger society. Topics and discussion to stimulate critical thinking about ways people have acted in response to their societies will allow students to evaluate how societies and social subgroups operate. To earn this Associate Degree students must complete: 1) All major course requirements with a grade of C or better; 2) Cypress College Local General Education requirements or the California General Education Transfer Curriculum (Cal-GETC) requirements; ~~3) Fulfillment of local general education requirement of a minimum of one (1) unit of coursework approved for Physical Activity and Health;~~ 3) any elective courses to complete a minimum of 60 units; and, have a minimum GPA of 2.0. This degree requires a total of 18 units in the major in addition to other degree requirements.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Evaluate the methods of inquiry and evidence used in the behavioral and social sciences. Apply the principles of the social and behavioral sciences to the diverse world in which we live. Compare and contrast the major theoretical perspectives in the social and behavioral sciences.

CIP Code: 510000.00

Public Health Associate in Science for Transfer (AS-T)

Catalog Description:

This curriculum is designed to provide an opportunity for the Public Health major to achieve an Associate in Science in Public Health for Transfer (AS-T in Public Health) which completes the first and second year requirements for transfer to a four-year public California institution. While at least a baccalaureate degree is recommended preparation for those considering professional careers, completion of this curriculum will demonstrate commitment to the field and provide comprehensive preparation for further academic study through upper-division course work. This curriculum specifically prepares the prospective transfer student for upper division coursework in Public Health or a similar major at a California State University (CSU) campus. Students should consult a counselor, the Transfer Center and the catalog of the transfer college or university to plan a specific program of study to meet the college or university's requirements. Note: Courses that fulfill major requirements for an Associate Degree for Transfer at Cypress College might not be the same as those required for completing the major at all transfer institutions offering a Baccalaureate Degree. The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The AS-T is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept the AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. Students with a degree in Public Health may pursue careers in a variety of health-related professions with employment opportunities in private, state, federal, corporate, and non-profit sector. The completion of this curriculum will demonstrate commitment to the field and provide comprehensive preparation for upper-division work. To earn an AS-T in Public Health students must complete the following requirements: (1) 24 to 25 semester units or 36 to 37 quarter units in the Public Health major, (2) earn a grade of C or better in all courses required for the major or area of emphasis, AP(Pass) grade is an acceptable grade for a course in the major only if the P is defined to be equivalent to a C or better, (3) the California General Education Transfer Curriculum (Cal-GETC) requirements for lower division general education coursework, (4) 60 semester or 90 quarter CSU-transferable units, and (5) obtainment of a minimum grade point average (GPA) of 2.0. This degree requires a total of 24-25 units, in addition to other general education requirements.

Program Student Learning Outcomes:

A student who completes this program (degree/certificate) will

- A. Acquire knowledge, skills, and competencies in the field of public health, including public health policies and health social justice practices using social determinants of health, necessary for transfer to a 4-year institution.

A.A.T/A.S.T Transfer Degree
