Public Health Science	<p>Yoga Therapy Certificate (300-hr) The Yoga Therapy Certificate (300-hr) is designed for students who wish to pursue Yoga from a therapeutic perspective and interventional perspective and satisfies requirements of Yoga Alliance (RYS 300) accredited program. Yoga therapy is the therapeutic application of Yoga derived from Patanjali's Yoga Sutras and principles of Ayurvedic medicine. Yoga Therapy is a whole systems approach to health, healing, and vitality, and its primary goal is to facilitate a state of sattva, balance, to the individual, which is accomplished through assessing and implementing specific modalities across all kosha layers of the individual, from physical to subtle and energetic. The certificate is designed to prepare students for employment as Yoga Teachers in the health and wellness industry. To earn this certificate, complete the required courses as listed with a grade of C or better. Counseling and Guidance	<p>Intersegmental General Education Transfer Curriculum (IGETC) Certificate of Achievement</p> <p>Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Cypress College to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower division general education courses to satisfy campus general education requirements. However, students approaching readiness for transfer who are unable to complete one or two IGETC courses that are not required for admission to the university may request to complete IGETC after transferring. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Transfer students may also fulfill general education requirements that are specific to the school or campus to which they intend to transfer. Completion of IGETC is NOT an admission requirement to CSU or UC. It is NOT advisable for students who are pursuing majors that require extensive lower division preparation, such as engineering, to follow IGETC. Students must apply for IGETC certification in Admissions and Records. All courses must be completed with grades of C or better. Courses must be at least 3 semester or 4 quarter units in order to meet IGETC requirements. Courses must be on the college's approved IGETC list at the time the course was completed. Students should confer with their counselor regarding these requirements. This certificate requires a total of 37-39 units</p> <p>Note: IGETC Certificate of Achievement only confirms completing CSU and/or UC general education requirements and does not meet Associate degree or transfer requirements. Refer to the College Catalog and meet with a Counselor for additional information.</p> <p>AREA 1 – ENGLISH COMMUNICATION REQUIREMENT: CSU: 3 courses required, one from each group below; UC: 2 courses required, one each from Group A and B.</p> <p>GROUP A: English Composition, 1 course (3 semester units/4-5 quarter units)</p>	2023 Fall	Course changes within the certificate. Annual update to include addition of IGETC courses based on annual cycle. Adding 2023-24 GE approvals and new area 7 Ethnic Studies area and approvals. Total units remain the same.

Kinesiology	<p>Kinesiology Associate in Arts Degree This program is designed to prepare students with a knowledgeable base of physical fitness, health practices, and professional activities for entry into the discipline of physical education/kinesiology/athletics. Further specialization is possible by combining the Associate of Arts Degree with electives chosen from a certificate program in fitness, aquatics, or coaching. A student may also elect to work toward a transfer program preparing for entry to a four-year institution. To earn an Associate Degree students must complete: (1) all major course requirements with a grade of C or better; (2) Cypress College Native General Education requirements; California State University General Education Breadth requirements (CSU GE Breadth) or IGETC General Education requirements; (3) Social Justice, Equity and Sustainability and reading requirements; (4) any elective courses to complete a minimum of 60 units; and, (5) have a minimum GPA of 2.0. At least 50% of all major course work must be completed at Cypress College. Courses that fulfill major requirements for an Associate Degree at Cypress College might not be the same as those required for completing the major at a transfer institution offering a Baccalaureate Degree. For information on specific university requirements, please consult with your counselor, or visit the Transfer Center. Public Health Science	<p>Public Health Science Associate in Science Degree for Transfer (AS-T)</p> <p>This curriculum is designed to provide an opportunity for the Public Health major to achieve an Associate in Science in Public Health for Transfer (AS-T in Public Health) which completes the first and second year requirements for transfer to a four-year public California institution. While at least a baccalaureate degree is recommended preparation for those considering professional careers, completion of this curriculum will demonstrate commitment to the field and provide comprehensive preparation for further academic study through upper-division course work. This curriculum specifically prepares the prospective transfer student for upper division coursework in Public Health or a similar major at a California State University (CSU) campus. Students should consult a counselor, the Transfer Center and the catalog of the transfer college or university to plan a specific program of study to meet the college or university's requirements. Note: Courses that fulfill major requirements for an Associate Degree for Transfer at Cypress College might not be the same as those required for completing the major at all transfer institutions offering a Baccalaureate Degree. The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The AS-T is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept the AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. Students with a degree in Public Health may pursue careers in a variety of health-related professions with employment opportunities in private, state, federal, corporate, and non-profit sector. The completion of this curriculum will demonstrate commitment to the field and provide comprehensive preparation for upper-division work. To earn an AS-T in Public Health students must complete the following requirements: (1) 24 to 25 semester units or 36 to 37 quarter units in</p>	2024 Fall	<p>*Catalog Description Update</p> <p>*Remove: PSY 101 C, PSY101HC, ECON 105 C, ECON 105HC, ECON 100C, SCON 100HC, PHS 270 C, PHS 270HC, HRC 100 C, PSY 120 C, HUSR 240 C, SOC 101 C, SOC 101HC, KIN 235 C</p> <p>*Add: MATH 120PC, BIOL 220 C, PHS 283 C, PHS 285 C, PHS 294 C, PHS 296 C</p> <p>Total units from 32.5-33 to 24-25</p> <p>Updated TMC for revised program to benefits PHS students.</p>
