Guest: Angela Haugh, Kathleen McAlister, Regina Russell, David Soto

Call to Order: by Joyce Peacock at 3:02 p.m.

Establish Quorum and Acknowledge Alternates: Quorum established and no alternates.

Adoption of the Agenda: MSP 9-0-0

Approval of November 7, 2023 minutes: MSP 8-0-1

Public Commentary (3 minutes per speaker)

No public commentary was received.

Curriculum Specialist Report

Curriculum Specialist thanked everyone for their service on the committee and reminded everyone that the prelaunch is open until February 10th 2024. A list of out-of-compliance courses for the 2025 cycle is available on Canvas, and ongoing work for the Fall 2024 cycle, which includes 63 courses and 37 programs, will be on the February 6th 2024 agenda.

Articulation Officer Report

Articulation Officer shared that GE submissions are due next Friday, and she will send a confirmation list once all have been entered. Decisions for these submissions will be made in the spring, hopefully by May. Also, the Chancellor's Memo (ESS-23-44 for ADT Compliance with Assembly Bill 928 and CalGETC Curriculum Submission Guidance) issued last week, it is not required to resubmit if only updating GE. However, there is a template to certify which ADTs are being updated and it is due to the state by June 1, 2025.

Division Reports: All division reps

Business/CIS: No report

Career Technical Education: No report.

Counseling: No report

Health Science: Rep shared that Health Science is looking forward to a collaboration with Foreign Language, who proposed a certificate in a recent department coordinator and directors meeting.

Kinesiology: Rep shared that Kinesiology is reviewing their certificates to align with CalGETC.

Language Arts: No report.

Library: Rep shared that the Library is open for extended hours during finals.

Science/Engineering/Math: No report.
Social Science: No report.
Visual and Performing Arts: No report.

CPL Coordinator Report

CPL Coordinator acknowledged Patrick Tuufuli for ensuring CPL is being awarded and annotated on transcripts.

Administration Report

Vice President of Instruction shared that there are currently 182 FTES for Winter Intersession. Also, if a faculty member would like to increase their class size, they are encouraged to communicate with their division dean. An update on Spring enrollment, which will be more accurate, will be reshared as we approach the start of the semester. Lastly, everyone was informed about the new myGateway, scheduled to be launched on December 11th.

Compressed Schedule discussion with Kathleen McAlister

Kathleen McAlister followed up on a previous discussion she had with the committee and requested that the development of a process for courses offered in a specific time frame in the Course Outline of Record not be deferred for research. After a lengthy discussion, a 'Call the Question' was made based on the November 7th committee vote to table the discussion until research, timeline, and negotiations could be completed.

Chair Report

Chair shared the following report:

Fall Plenary

- November 16-18 – Presentation Materials available on website
 - Resolutions (those adopted are on Canvas)
 - [Disciplines hearings proposals](#)
 - Nursing
 - Art
 - Artificial Intelligence (new, also in Canvas and this topic will be discussed in Spring Plenary)

ASCCC and ICAS Updates

- [AB 928 ADT Intersegmental Implementation Committee Draft Report Update](#) November 27th, 2:00-3:00pm
- [AB 1111 Common Course Numbering Draft Report Update](#) December 5th, 2:00-3:00 pm

Legislation - Must comply by 180 days after effective date:

Effective November 16, 2023:

- [Final Revisions to Title 5, California Code of Regulations Relating to Associate Degree Requirements](#)
- [Final Revisions to Title 5, California Code of Regulations Regarding Dual Enrollment Programs](#)

Effective December 2, 2023:

- [Final Revisions to Title 5, California Code of Regulations Related to Supervised Tutoring](#)

*[2023 New Associate Degree Requirements.docx](#) Document created by Health Science Rep, Jolena Grande

Spring 2024

- There will be a January DCC meeting
- Meeting with the chairs and VPIs about noncredit to credit and noncredit mirror course opportunities
- We will be working on our AA GE requirements
- February 1st during Academic Senate, there will be parliamentary training

Approval of curriculum

Info item:

Yoga Therapy Certificate (300-HR)-Updated program with PHS 294 C, previously approved by committee on 10/31/ 2023, effective Fall 2024.

Physics Associate in Science Degree for UC Transfer-Updated program to remove general education requirements list. Catalog description and total units updated from 55-59 to 39, previously board approved 11/8/2022 effective Spring 2024.

Chemistry Associate in Science Degree for UC Transfer- Updated program to remove general education requirements list. Catalog description and total units updated from 65-57 to 49, previously board approved 11/8/2022 effective Spring 2024.

DEACTIVATE COURSES		
COURSE ID	EFF DATE	JUSTIFICATION
PHS 270 C Nutrition Science and Application Action: MSP	2024 Fall	Because PHS 107 will be in effect Fall 24, we are deactivating PHS 270 and PHS 286 effective same term.
PHS 270HC Honors Nutrition Science and Application Action: MSP	2024 Fall	Because PHS 107 will be in effect Fall 24, we are deactivating PHS 270 and PHS 286 effective same term.

NEW COURSES					
COURSE ID	ACTION TAKEN	CLASS SIZE	CLASS SIZE JUSTIFICATION	EFF DATE	JUSTIFICATION
CTRP N057C Machine Shorthand Challenge-Beginning (Non-Credit) Units: 0 Lecture: 0 Laboratory: 5-90 Action: MSP	*New Non-Credit Course *Distance Education: Partially *Repeatability: Unlimited *Open Entry/Open Exit *Grading Option: Pass/No Pass *Prerequisite: None	30	Class time focuses on individualized instruction, student dictation presentation time, and/or group learning through readback and live voice dictation.	2024 Fall	CTRP N057 C will add a non-credit component to shadow CTRP 57 C credit class.
CTRP N058C Machine shorthand Challenge-Intermediate (Non-Credit) Units: 0 Lecture: 0 Laboratory: 5-90 Action: MSP	*New Non-Credit Course *Distance Education: Partially *Repeatability: Unlimited *Open Entry/Open Exit *Grading Option: Pass/No Pass *Prerequisite: None	30	Class time focuses on individualized instruction, student presentation time, and/or group learning. Requires three or more writing assignments using advanced analytical and critical thinking skills. Writing assignments are assessed for critical thinking, conceptual understanding, structure, style and mechanics.	2024 Fall	This course is being offered to fulfill the CSR requirements of machine shorthand hours as a non-credit class.
CTRP N060C Machine Shorthand Challenge-Professional (Non-Credit) Units: 0	*New Non-Credit Course *Distance Education: Partially *Repeatability: Unlimited *Open Entry/Open Exit *Grading Option: Pass/No Pass *Prerequisite: None	30	Class time focuses on individualized instruction, student presentation time, and/or group learning. Requires three or more writing assignments using advanced analytical and critical thinking skills.	2024 Fall	This class will give the students working on the RPR level of excellency an opportunity to work on higher speed dictation.

(e.g. problem sets, scientific	2024 Fall	Outline, adding distance education, prerequisite revalidated, and textbooks updated to better reflect course content.

			experiments, vocational skills, lab reports)		
DA 066 C Radiology II/Dental Assisting Units: 1 Lecture: 0 Laboratory: 3 Action: MSP	*Outline Update *Prerequisite revalidated *Student Learning Outcomes Update *Textbook Update	24	Statement: Safety, Health, State/Accrediting Regulations, and Vocational Advisory Committees supersede noted statements in class size document. Labs in which the instructor provides extensive individualized feedback/evaluation on a regular basis. (e.g. problem sets, scientific experiments, vocational skills, lab reports)	2024 Fall	Outline, prerequisite revalidated, SLOs, and textbooks updated to better reflect course content.
FREN 203 C Intermediate French III Units: 4 Lecture: 4 Laboratory: 0 Action: MSP	*Outline Update *Class size from 35 to 30 *Prerequisites revalidated *Catalog/Schedule Description Update *Student Learning Outcomes Update *Textbook Update	30	Change the class size to 30. Class time focuses on individualized instruction, student presentation time, and/or group learning. Students complete 2 mini-presentations on a French reading and a final presentation on a socio-historical topic. This course also requires three formal writing assignments using analytical and critical thinking skills. These compositions involve reflections and analyses of socio-cultural and historical topics. They are assessed for conceptual understanding of grammatical structures, style, and mechanics at the intermediate level in French. The grading rubrics for the writing assignments assess both conceptual knowledge and treatment of the assigned subject matter.	2024 Fall	Outline, class size, prerequisites revalidated, catalog/schedule description, SLOs, and textbook updated to better reflect course content. I am updating the course description as well as revising course SLOs to include an assessment of students' socio-cultural competence in the target language. This competence is measured by more than a deep understanding of the French culture and language. It also involves an awareness of how we use French to navigate different social situations, to create our identity, and to engage with other French speakers in a culturally responsive way that acknowledges and appreciates linguistic and cultural. The course content for FREN 203 already includes multiple readings and exploration of French and Francophone culture in a variety of areas and disciplines such as art, cinema, media, sports, and technology. Additionally, chapter exams and the final exam include an assessment of a student's understanding of short readings on these topics as well as an analysis. By revising the course descriptions, assignments, methods of instruction and evaluation, and SLOs, they will reflect the content of this course as well as the full range of skills that students acquire at our intermediate level French course. They will also more accurately demonstrate the culturally responsive curriculum of our department's French program and courses.

<p>FREN 204 C Intermediate French IV Units: 4 Lecture: 4 Laboratory: 0 Action: MSP</p>	<p>*Outline Update *Class size from 35 to 30 *Prerequisites revalidated *Catalog/Schedule Description Update *Student Learning Outcomes Update *Textbook Update</p>	<p>30</p>	<p>Change the class size to 30. Class time focuses on individualized instruction, student presentation time, and/or group learning. Students complete 2 mini-presentations on a French reading and a final presentation on a cultural or socio-historical topic. This course also requires three formal writing assignments using analytical and critical thinking skills. These compositions involve further analyses of socio-cultural and historical topics relevant to the modern French-speaking world. They are assessed for conceptual understanding of grammatical structures, style, and mechanics at the upper-intermediate level in French. The grading rubrics for the writing assignments assess both conceptual knowledge and treatment of the assigned subject matter.</p>	<p>2024 Fall</p>	<p>Outline, class size, prerequisites revalidated, catalog/schedule description, SLOs, and textbook updated to better reflect course content. I am updating the course description as well as revising course SLOs to include an assessment of students' socio-cultural competence in the target language. This competence is measured by more than a deep understanding of the French culture and language. It also involves an awareness of how we use French to navigate different social situations, to create our identity, and to engage with other French speakers in a culturally responsive way that acknowledges and appreciates linguistic and cultural diversity. Like FREN 203, FREN 204 already includes multiple readings and exploration of French and Francophone culture in a variety of areas and disciplines such as art, cinema, media, social media, sports, and technology. Additionally, chapter exams and the final exam include an assessment of a student's understanding of short readings on these topics as well as an analysis of their thematic content and relevance. By revising the course descriptions, course content, assignments, methods of instruction and evaluation, and SLOs, these revisions will more accurately reflect the content of this course as well as the full range of skills that students acquire at our upper-intermediate level French course. They will also more accurately demonstrate the culturally responsive curriculum of our department's French program and courses.</p>
<p>KIN 299 C Kinesiology - Independent Study Units: .5-2 Lecture: .5-2 Laboratory: 0 Action: MSP</p>	<p>*Outline Update *Student contact hours from 27-108 to 9-36 *Total student learning hours from 45-180 to 27-108 *Lab hours from 1-4 to 0 *Catalog/Schedule Description Update</p>	<p>25</p>	<p>Most of the time students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instructions as the class proceeds.</p>	<p>2024 Fall</p>	<p>Outline, student contact hours, total student learning hours, lab hours, and catalog/schedule description updated to better reflect course content. 6-year review cycle revision</p>

Action: MSP			student individual instruction as the class proceeds.		
MUS 175 C Swing Band Units: 1 Lecture: 0 Laboratory: 4 Action: MSP	*Outline Update *Prerequisite revalidated	20	The class size is a part of the Fullerton/Cypress agreement Individualized Instruction Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	2024 Fall	Outline and prerequisites revalidated to better reflect course content.
MUS 276 C Jazz Band Units: 1 Lecture: 0 Laboratory: 4 Action: MSP	*Outline Update *Prerequisite revalidated	20	Vetted with Fullerton college Music Department Course now has been converted from lecture to lab hours. The Three Types of Courses that a District Policy may Designate as Repeatable: 1) Courses for which repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor's degree (§ 55041(a)(1)): Certain CSU or UC campuses may require students to repeat a specified course as part of the requirements for a specific major. Students who do not repeat these courses are not permitted to receive a bachelor's degree in that major. For example, CSU Sacramento requires the following: "All [Bachelor's of Music] music majors, regardless of their unit load, shall be enrolled each semester in Applied Music for 2 units (until they have reached the maximum of 16 units), and in a Large Performance Ensemble until the Senior Recital is completed." A district can thus designate its corollary Applied Music course and its corollary	2024 Fall	Outline and prerequisite revalidated to better reflect course content.

			Large Performance Ensemble course as repeatable until the student meets the lower division component of these major requirements. Once the district has properly designated a course as repeatable, then any student eligible to enroll in that course can enroll in that course multiple times. While the particular course may require the student to meet other eligibility requirements, such as an applicable prerequisite or corequisite, the student does not have to intend to transfer to UC or CSU to enroll in a course that has been properly designated as repeatable. Put another way, once properly designated as repeatable because repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor's degree, then all students, i.e., those that do or do not intend to enroll in CSU or UC, may enroll multiple times in the course.		
MUSA 120 C Beginning Guitar Units: 1 Lecture: 1 Laboratory: 1 Action: MSP	*Outline Update *Class size from 20 to 25 *Student Learning Outcomes *Textbook Update	25	Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	2024 Fall	Outline, class size, SLOs, and textbook updated to better reflect course content.
MUSA 121 C Intermediate Guitar Units: 1 Lecture: 1 Laboratory: 1 Action: MSP	*Outline Update *Class size from 18 to 25 *Prerequisite revalidated *Removed Audition from requisites. *Student Learning Outcomes Update *Textbook Update	25	Labs in which the instructor provides extensive individualized feedback/evaluation on a regular basis. (e.g. problem sets, scientific experiments, vocational skills, lab reports)	2024 Fall	Outline, class size, prerequisite revalidated, removed audition from prerequisites, SLOs, and textbook updated to better reflect course content.

PHOT 299 C Independent Study Units: 1-2 Lecture: 3-6 Laboratory: 0 Action: MSP	*Outline Update *Units from 0.5-2 to 1-2 *Add class fee \$35 *Prerequisites revalidated *Student contact hours from 9-36 to 18-36 *Outside of class hours from 18-72 to 36-72 *Total student learning hours from 27-108 to 54-108 *Catalog/Schedule Description Update	25	Most of the time students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instructions as the class proceeds.	2024 Fall	Outline, units, class fee, prerequisites revalidated, student contact hours, outside of class hours, total student learning hours, and catalog/schedule description updated to better reflect course content.
PHS 285 C Global and Community Health Units: 3 Lecture: 3 Laboratory: 0 Action: MSP	*Outline Update *Student Learning Outcomes Update *Textbook Update	35	While the instructor does lecture, much of the class time focuses on discussion, group learning, and/or formal/informal student presentations. Evaluation primarily through objective exams. Writing assignments are assessed mostly for concepts and structure.	2024 Fall	Outline, SLOs, and textbook updated to better reflect course content. Revision to align with C-ID descriptor PH 109
THEA 299 C Theatre Arts-Independent Study Units: .5-2 Lecture: .5-2 Laboratory: 0 Action: MSP	*Outline Update *Title update from Theater Arts - Independent Study to Theatre Arts - Independent Study *Removed FSA: A65 (Dance) *Catalog/Schedule Description Update	25	Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	2024 Fall	Outline, title, fsa, and catalog/schedule description updated to better reflect course content.

MODIFY DEGREES/CERTIFICATES			
DEGREE		EFF DATE	JUSTIFICATION
Earth Sciences Action: MSP	Environmental Science Associate in Science Degree for Transfer (AS-T) This curriculum is designed to provide an opportunity for the Environmental Science major to achieve an Associate in Science Degree in Environmental Science for Transfer (AS-T in Environmental Science) which completes the first and second year requirements for transfer to a four-year public California institution. Students with a degree in Environmental Science may pursue careers in education, consulting, research or work in fields such as environmental geology, environmental engineering, zoology, hydrology, conservation science, or environmental law. While at least a baccalaureate degree is recommended preparation for those considering professional careers, completion of this curriculum will demonstrate commitment to the field and provide comprehensive preparation for further academic study through upper-division course work. This curriculum specifically prepares the prospective transfer student for upper division coursework in Environmental Science or a similar	2024 Fall	*Catalog Description Update *PSLOs Update *Remove: BIOL 174 C *Add: BIOL 135AC Total units from 40 to 41.

major at a California State University (CSU) campus. Students should consult a counselor, the Transfer Center and the catalog of the transfer college or university to plan a specific program of study to meet the college or university's requirements. Note: Courses that fulfill major requirements for an Associate Degree for Transfer at Cypress College might not be the same as those required for completing the major at all transfer institutions offering a Baccalaureate Degree. The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The AS-T is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept the AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. To earn an AS-T in Environmental Science students must complete the following requirements: (1) a minimum of 41 semester units or 60 quarter units in the Environmental Science major with a grade of C or better; AP(Pass) grade is an acceptable grade for a course in the major only if the P is defined to be equivalent to a C or better (2) the Intersegmental General Education Transfer Curriculum (CSU IGETC) for STEM; (3) any electives need to reach 60 semester or 90 quarter units of CSU transferable coursework; and (4) have an overall GPA of 2.0. This degree requires a total of 41 units.

Public Health Science Action: MSP	<p>Integrative Health and Wellness Studies Associate in Science Degree</p> <p>Integrative Health and Wellness Studies is an interdisciplinary approach to the study of health. Health is defined as a state of physical, psychological, social, and spiritual wellbeing. Furthermore, health is defined as a state of wholeness, of being whole, and in this respect, we approach the study of health from a perspective of what is holy, and sacred. In approaching a vitalist, and holistic definition of health, we will comprehensively consider sleep, movement, nutrition, resiliency, mind-body practices, our connection to nature, and environment, that allow for the emergence of a whole person perspective of human flourishing and health. To earn an Associate Degree students must complete: (1) all major course requirements with a grade of C or better; (2) Cypress College Native General Education requirements; California State University General Education Breadth requirements (CSU GE Breadth) or IGETC General Education requirements; (3) social justice, equity, and sustainability and reading requirements; (4) any elective courses to complete a minimum of 60 units; and, (5) have a minimum GPA of 2.0. At least 50% of all major course work must be completed at Cypress College. Courses that fulfill major requirements for an Associate Degree at Cypress College might not be the same as those required for completing the major at a transfer institution offering a Baccalaureate Degree. For information on specific university requirements, please consult with your counselor, or visit the Transfer Center. This major requires a total of 20-25 units, in addition to other graduation requirements.</p> <p>Required Courses (9 units)</p> <table border="1"> <thead> <tr><th></th><th></th><th>Units</th></tr> </thead> <tbody> <tr><td>PHS107 C</td><td>Nutrition and World Food Issues</td><td>3</td></tr> <tr><td>PHS294 C</td><td>Interpersonal Neurobiology and the Mind-Body Connection</td><td>3</td></tr> <tr><td>PHS296 C</td><td>Whole Systems Integrative Health</td><td>3</td></tr> </tbody> </table> <p>Select 1-degree emphasis (11-16 units).</p> <p>Degree Emphasis: Yoga Studies (11 units). Other-any additional concerns committee members might want to bring up for items that do not require vote.

Angela Haugh shared that a survey regarding the schedule has been sent to program leads in every division, and she will be resending it to those who have not yet completed it. Comments or suggestions on how to improve the schedule are encouraged.

The chair reminded everyone that the Spring Curriculum Committee meeting dates for Spring 2024 are on CurricUNET, with emphasis on February 6th being the first meeting of that semester.

Meeting Adjourned: 4:46 p.m.
