Recessional.....	The Graduates of 2020 and Faculty

Interpreters for the Deaf and Hard of Hearing
Amber Dunn and Alex Sandoval

PRESIDENT'S MESSAGE

JoAnna Schilling, Ph.D.
President, Cypress College

This year, we celebrate the achievements of our graduating Class of 2020 in unique fashion because it is important to recognize your excellence. As many of you know, Cypress College was named as the #1 community college in California in both 2018 and in 2020, and we were just ranked as the #3 Community College of 2020 in the nation by College Consensus.

This is because of you, our students, our staff, and our faculty, all who represent us here at the college and, after you leave, you are our ambassadors in our communities, at your jobs, and at your next educational institution. We are proud of you and grateful that you have shared your academic journey with us here at Cypress College.

I am fully aware that this is a historic commencement, and that for many, this is a bittersweet time as you celebrate this important moment with your friends and loved ones at home. We are aware that nothing can substitute for the ceremonial pageantry of seeing you walk across our commencement stage, but your faculty, your peers, and all of us at Cypress College are with you in this moment, and we are so proud of your accomplishments.

Each of you will be taking home a degree tonight. And each of you has earned it. It represents a milestone in your life and is a symbol of your hard work and what you have learned. It is your gateway to the world. I hope the things you have learned here at Cypress College will continue to cultivate a curiosity for knowledge, a desire to continue learning, and keep your mind active and open. Mostly I hope that this achievement will fuel your dreams, broaden your cultural experiences, and will help you live a life of hope and gratitude. As poet, Langston Hughes, said:

Hold fast to your dreams, For without your dreams, Life is a broken-winged bird, That cannot fly.

My very best wishes to each of our graduates as you embark on the next chapter of your life. Never stop dreaming, never stop challenging yourselves, and never forget to say thank you to those who share your lives. My congratulations to the Class of 2020!

BACCALAUREATE DEGREE PROGRAM

Bachelor of Science, Funeral Services

Abigail Eva Elisabeth Adam
Noelle Eve Salinas

SUMMER GRADUATES 2019

Business and Computer Information Systems

CYPRESS COLLEGE OUTSTANDING GRADUATE FOR 2020

Elise Cunanan
*2020 Outstanding Graduate
of the Year*

Elise Cunanan is Cypress College's 2020 Outstanding Graduate. Cunanan completed two associate degrees in fall 2019, one in sociology and the second in liberal studies: social and behavioral sciences. She began attending California State University, Fullerton, this spring. Her career goals are to become a school counselor and to work for a non-profit organization.

At Cypress College, Cunanan was a member of the Associated Students, worked as a member of the Student Ambassador team, and established the Student Advocates for Education Club to provide community service to K-12 and higher education students. She also worked to raise awareness about student homelessness.

"I selected Cypress College because my parents both are alumni of community colleges, my mom even attended Cypress College herself," Cunanan said. "I actually did not apply to any universities as a high school senior, because I felt that choosing a university to attend was a big decision that I was not ready to make at the time. Another great benefit about Cypress College is that tuition is affordable and the staff here is extraordinarily helpful."

CANDIDATES FOR OUTSTANDING GRADUATE FOR 2020

All graduating students who earn a cumulative grade point average of 3.75 and above during their college career, are eligible to be named the Outstanding Graduate. Final selection is determined by a campus committee based on applications submitted by the students.

PRESIDENTIAL SCHOLARS OF DISTINCTION CLASS OF 2020

The Presidential Scholars of Distinction Program celebrates Cypress College students as they complete their studies. Each of the college's academic pathways is represented through their students. These scholars were nominated by their faculty, selected by members of their division, and affirmed by President JoAnna Schilling.

OUTSTANDING FACULTY AWARDS 2020 HONOREES

All Full-Time Faculty.....Outstanding Full-Time Faculty
 All Adjunct FacultyOutstanding Adjunct Faculty
 Kathleen McAlisterCharger Award

Each year, the Academic Senate conducts a nomination and selection process for three faculty awards: the Outstanding Adjunct Faculty Award; the Outstanding Full-Time Faculty Award; and the Charger Award, presented to the faculty member who goes above the call of duty for professional duties outside the classroom. After careful deliberation, the Academic Senate voted to present the Outstanding Full-Time Faculty Award to ALL full-time faculty members, and the Outstanding Adjunct Faculty Award to ALL adjunct faculty members.

This is the first time in the history of the awards that the Senate has decided to bestow this award to all members of the faculty. This unique selection is made to illustrate that we have collectively risen to the occasion in transitioning our classes to a remote environment under the most stressful of circumstances. This collective recognition highlights that every faculty member's contribution was essential to completing the semester successfully and helping to ensure that you all are able to graduate today.

The Charger Award is presented to Kathleen McAlister. Her role as the distance education coordinator is likely transparent to students. But, you should all know that Kathleen has been instrumental in facilitating the transition for Cypress College faculty to a remote teaching environment. It has traditionally been the Academic Senate's practice to avoid honoring an active member of the body; however, Kathleen's hard work, especially during our COVID-19 response, made her an undeniable recipient of this award.

We are grateful for the dynamic and innovative work our faculty do. Our appreciation for the contribution that each of our faculty make to our students cannot be fully expressed. Thank you for your hard work and dedication. Congratulations to these Outstanding Faculty honorees.

— Dr. Craig Goralski, Academic Senate President

NATIONAL ANTHEM

*Oh, say! can you see, by the
dawn's early light*

*What so proudly we hailed at
the twilight's last gleaming;*

*Whose broad stripes and
bright stars, through
the perilous fight,*

*O'er the ramparts we watched
were so gallantly streaming?*

*And the rocket's red glare,
the bombs bursting in air,*

*Gave proof through the night
that our flag was still there:*

*Oh, say! does that Star-spangled
banner yet wave*

*O'er the land of the free and
the home of the brave?*

ALMA MATER

*O Alma Mater, Hail with
pride and loyalty,
So sing we now with hearts
uplifted to thy glory.
O Cypress, Thee we love,
Thy spires shall rise above,
Ennobled through the years
with splendor,
Cypress, hail to thee.*

*- Dr. Clifton Stout -
(1934 - 1974)*

THE MEANING OF ACADEMIC DRESS

Academic dress, which includes a gown, a hood, and a mortarboard cap, originated in the oldest universities and colleges. In fourteenth century England, the statutes of most colleges and universities forbade “excess in apparel” and prescribed the wearing of a long gown which provided warmth in the unheated buildings frequented by medieval scholars. The tailoring of gowns was strictly governed. In the early days of Oxford University, any tailor who departed from the authorized design of the gown, “even by a nail’s breadth,” was to be punished by the vice chancellor of the university or college. The four basic kinds of degrees awarded by the colleges and universities are the associate, the bachelor of arts, the master of arts, and the doctorate. The holders of those degrees are distinguished by their gowns and the hoods. The associate degree, awarded by community colleges, signifies completion of two years of specific work.

The Gowns

Most academic gowns are black. The cut of the robe and sleeves, as well as the trimming, indicates various academic degrees. No trimmings are permitted on the gowns for the associate, bachelor of arts, or master of arts degrees. However, the gown worn by those who have earned their doctorate has a front facing of velvet and three bars of the same velvet across the sleeves.

Mortarboard Caps

There is no general rule for the position of the tassel on a mortarboard. However, numerous institutions have required candidates to wear their tassels on the right side during commencement exercises and to shift them to the left side at the moment the degrees are conferred. This custom replaces individual hooding which was practiced many years ago and still remains in effect at some universities.

The Hoods

Hoods fasten around the neck, drape over the shoulder, and fall down the back. Historically, hoods had several uses. They were used as a head covering; a cape; a receptacle for carrying books and other personal items; and as a bag to collect alms, since most medieval scholars were quite poor. Hoods are worn by those who have earned the master’s degree or doctorate. The colors on the hood represent the field of study and indicate from which college or university the individual received the degree.

Cords

SILVER – HONORS

* Honors: Indicates students who have maintained an overall grade point average of 3.3 – 3.74 during their college career.

GOLD – HONORS

** High Honors: Indicates students who have maintained an overall grade point average of 3.75 – 4.0 during their college career.

THE MEANING OF ACADEMIC DRESS

Sashes

WHITE WITH BLACK TRIM — EOPS

Students who participated in Extended Opportunity Programs and Services (EOPS) can be identified by the white sash with black trim and the words “I am EOPS Strong.” This sash celebrates their achievements as many EOPS students are the first in their families to attend college and graduate. Many will continue their studies as they transfer to four-year colleges and universities.

NAVY BLUE WITH GOLD — FUNERAL SERVICE

The funeral service industry holds the completion of the Bachelor of Science in Funeral Service curriculum as a noteworthy achievement for licensed practitioners. The navy blue sash represents the student’s hard work and commitment to academic excellence and advancement of their chosen profession — being of service while a client family grieves the tremendous loss of a loved one. The gold lettering signifies the highly held academic level that the funeral industry expects from our graduates.

BLUE WITH GOLD TRIM — GUARDIAN SCHOLARS

Guardian Scholars are former foster youth who enrolled at Cypress College after being emancipated from the foster care system. This sash celebrates their academic achievement. Many Guardian Scholars are the first in their families to attend college and graduate. Many will continue their studies as they transfer to four-year colleges and universities.

BLUE AND GOLD CHORDS — CHARGER EXPERIENCE PROGRAM

The Program is designed to encourage talent and ability in highly motivated students as they begin their academic studies and prepare to transfer to a four-year college or university. Students who complete the Charger Experience Program and meet all major transfer requirements will have priority consideration for admission to specific four-year institutions.

KENTE — LEGACY PROGRAM

The Legacy Program is a one-year program open to all students who have a desire to learn about Black culture. The mission of the program is to increase graduation and transfer rates among the students enrolled. The courses offered in the Legacy Program are general education courses taught from the Black perspective and required for graduation and transfer. To accomplish these goals, there are five components to this program: English, ethnic studies, sociology, counseling, and cultural enrichment activities.

BURGUNDY — MORTUARY SCIENCE

The Mortuary Science Program faculty have held the completion of the rigorous Associate in Science — Mortuary Science curriculum as a noteworthy achievement. The burgundy sash represents the student’s hard work and commitment to academic excellence. The gold lettering signifies the highly held academic level that the funeral industry expects from our graduates. The program’s medallion has the Mortuary Science logo engraved on the front with the name of the award inscribed on the back. There are seven awards selected by the faculty which have been created to honor academic and industry excellence in memory of past alumni and instructors. The burgundy ribbon and gold lettering match the sash.

WHITE — NURSING

The Cypress College Nursing Program educates students for patient/client services in a variety of healthcare settings. At the satisfactory completion of all courses and the specified general education requirements at Cypress College, the individual will receive an Associate in Science degree and will be eligible to write the Registered Nursing State Licensing Examination. The white sash represents the nursing field and the royal blue “RN” letters represent one of Cypress College’s school colors.

SERAPE — THE PUENTE PROGRAM

The Puente Program is a university transfer program open to all students interested in celebrating the Latino experience while taking English and counseling courses needed for graduation and transfer. Co-sponsored by the University of California Office of the President and the California Community College Chancellor’s Office, the mission of the one-year program is to strengthen students’ academic success through three main components: English, Counseling, and Mentoring. Puente: Creating Leaders for California’s Future.
