Additional Comments

19. Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).

The job placement data came from the most recent available Perkins V core indicator report (Core Indicator 4: Employment).

For 2021-22 Institution-Set Standards for transfers (number of transfers) we changed our methodology from previously including all transfers to the UC, CSU, in-state-private, and out-of-state institutions to only including the UC and CSU transfers in the actual number.
